

Design Assembly South Wales - 10th November 2017

A well-established professional development and networking event for architects, facilities managers, interior designers, and professionals involved in the specification of commercial interiors. Hosted by office design and fitout specialists Paramount Interiors and Edge Design.

Design Assembly includes CPD presentations from the Building Research Establishment (BRE), Oliver Heath Biophilic design consultant, architect and interior designer and Dr James Norrish, Thought and Knowledge leader. In addition there will be the opportunity to engage with industry experts covering a wide range of topics pertinent to the world of working and interior design.

Please join us for the whole morning or just those subject areas you are most interested in. You are welcome to attend as many or as few of the CPD and Meet the Expert Sessions as you would like.
